MAAB ALDULIMY

Associate in Science & Associate in Engineering

After graduating high school, Maab Aldulimy was attracted to Wake Tech's affordable tuition. Two years later, she earned two associate degrees and the prestigious Goodnight Transfer Scholarship to attend NC State University. In 2022, she was selected as NC State's student commencement speaker.

"Wake Tech was one of the best choices I ever made! I got a full ride into a university and graduated with no debt."

- Maab Aldulimy
Class of 2020

CAREER SERVICES

Choose a career path that's right for you!
Wake Tech's Career Services will help you assess your interests, set academic and professional goals, and find employment.

ASHLEIGH MOLE

AAS, Cybersecurity

Ashleigh Mole landed a paid internship in cybersecurity with First Citizens Bank, and credits Wake Tech's Career Services with helping her stand out from other candidates.

"I know that my interview would not have gone nearly as well if I hadn't booked my appointment for interview preparation with Career Services."

- Ashleigh Mole
Class of 2023

Scholarships

ANNIA IZQUIERDO

AAS, Nursing

In 2021, nursing student Annia Izquierdo was named one of two Wake Tech Scott Scholars. The prestigious award helped pay for tuition, fees and books, and came with a laptop, a summer internship placement, and a mentor from senior administration.

"This generous scholarship helped alleviate some of the financial obligations of college tuition so I could pursue my goal of becoming a medical professional and making a positive impact on other people."

- Annia Izquierdo
Class of 2022

Wake Tech delivers a proven return on investment.

Wake Tech graduates have an annual income nearly $10,000 greater than high school graduates.
