

Project Overview

Classification:
Campus/Location:

Capital Project
Wake Tech East

This project consists of designing and building a three-story, 80,000 GSF Technology 4.0 building. The building will include the following:

- Flexible teaching labs
- High-bay training spaces
- Makerspaces
- Technology labs
- Computer labs
- General classrooms

The following programs will be supported:

- Mechanical Engineering
- Geomatics
- Advanced Electronics
- Mechatronics
- Robotics/Automation
- Biopharmaceuticals
- Bioagriculture
- Tower Erection & Repair
- Unmanned Aircraft Operations & Repair

The facility and its systems will serve as a teaching tool, integrating technologies that students can manipulate and use to learn.

Budget & Financing Information

Total Budget: \$60.4M
HUB Goal: 10%

Project Status

Design:	January 2022
Construction:	Spring 2023
Anticipated Occupancy:	Spring 2025
HUB Actual:	--

Project Contacts

Wake Tech Project Manager:	Jeffrey Carter
Wake Tech HUB Coordinator:	Carla Daniels
Builder/General Contactor:	Metcon, Inc.
Designer:	Lord Aeck Sargent
