

# Accessing O'Reilly for Higher Education

*O'Reilly for Higher Education* offers a platform that includes technology and business ebooks, videos, learning paths, and exclusive O'Reilly content. Creating an O'Reilly account requires a Wake Tech email address. Ebooks on the platform are for supplemental and research purposes only and cannot be used as replacements for course textbooks.

## FIRST TIME USERS

1. Go to the Library Services website at <http://library.waketech.edu>.
2. Click on the **Search Databases** button.

[Find books and more](#)

[Search databases](#)

[Research guides](#)

3. Scroll down to **Science and Technology**. Click on Science and Technology to expand the menu.

4. Click on *O'Reilly for Higher Education*. A new tab will open in your browser.

[O'Reilly for Higher Education](#)

O'Reilly for Higher Education offers a platform that includes critical tech and business e-books, videos, learning paths, exclusive content and more along with a personalized experience and new technologies, including a mobile app. [Login instructions](#)  
Books on the O'Reilly platform are not to be used as course textbooks. To purchase course textbooks, contact the Wake Tech bookstore.

5. On the O'Reilly welcome screen, click on **Institution not listed?**

6. Enter your Wake Tech email and click **Let's Go**. You'll be taken directly into the *O'Reilly for Higher Education* platform.
