The NCCTM has coordinated the State Mathematics Contest for twenty-nine years. The 30th Annual State Mathematics Contest is being planned now. Eligible students may participate in regional competition in three subject division areas: (Algebra I, Geometry, Algebra II) or in the Comprehensive Division. See complete rules and dates for all contests at <http://courses.ncssm.edu/goebel/statecon/state.htm>

Invitation to Participate

Your school is invited to participate in the regional competition of the State Mathematics Contest to be held at Wake Technical Community College on **Tuesday, March 25, 2008**. Each school may send students to participate in the Algebra I, Algebra II, and/or Geometry division. Therefore, if anyone else at your school may be interested in this invitation, please copy it and pass it on to them! At this point, each school may send 5 Algebra I students, 5 Geometry students, and 8 Algebra II students. We have enjoyed hosting this event over the last seventeen years. This year, we again look forward to having you and your students on our campus. We hope you will make plans to join us! Remember that this is an invitation. You must register on time to be included in our contest.

Please find a registration form and a list of rules enclosed. If you wish to participate in this year's contest, please:

1. Complete the registration form and send it, along with a check made payable to **Wake Technical Community College, by the deadline of March 14, 2008**. We are holding all four contests on the same date this year. Thus, our facilities will be somewhat limited and we may have to limit participation. Therefore, it is imperative that you **send in your registration form on time**. Please [see the textbox at the right](#).

2. Once you select your students, please send the list of **printed names** by mail or e-mail (**preferred**). The final list of your participants should be received no later than **March 19, 2008**.

Please make note of the deadline dates on your calendar **now!** If you have questions or concerns, please feel free to e-mail or call Monika Collier at:

mcollier@waketech.edu
(919) 662-3604

The completed registration form and the registration fee of \$8.00 per student must be received by March 14, 2007.

Forms received after that date should include a \$10.00 late charge and cannot be guaranteed a space in the contest.
