

Project Overview

| | |
|-------------------------|-----------------|
| Classification: | Capital Project |
| Campus/Location: | Wake Tech East |

This project consists of designing and building a three-story, 80,000 GSF Technology 4.0 building. The building will include the following:

- Flexible teaching labs
- High-bay training spaces
- Makerspaces
- Technology labs
- Computer labs
- General classrooms

The following programs will be supported:

- Mechanical Engineering
- Geomatics
- Advanced Electronics
- Mechatronics
- Robotics/Automation
- Biopharmaceuticals
- Bioagriculture
- Tower Erection & Repair
- Unmanned Aircraft Operations & Repair

The facility and its systems will serve as a teaching tool, integrating technologies that students can manipulate and use to learn.

Budget & Financing Information

| | |
|----------------------|----------------|
| Total Budget: | \$58.3 million |
| HUB Goal: | 10% |

Project Status

| | |
|-------------------------------|--------------|
| Design: | January 2022 |
| Construction: | Spring 2023 |
| Anticipated Occupancy: | Spring 2026 |
| HUB Actual: | TBD |

Project Contacts

| | |
|-----------------------------------|-----------------------|
| Wake Tech Project Manager: | Gabriel Hoskins |
| Wake Tech HUB Coordinator: | Rustin McNiff |
| Builder/General Contactor: | Monteith Construction |
| Designer: | Lord Aeck Sargent |
