MAAB ALDULIMY

Associate in Science & Associate in Engineering

After graduating high school, Maab Aldulimy was attracted to Wake Tech's affordable tuition. Two years later, she earned two associate degrees and the prestigious Goodnight Transfer Scholarship to attend NC State University. In 2022, she was selected as NC State's student commencement speaker.

"Wake Tech was one of the best choices I ever made! I got a full ride into a university and graduated with no debt."

- Maab Aldulimy
Class of 2020

CAREER SERVICES

Choose a career path that's right for you!

Wake Tech's Career Services will help you assess your interests, set academic and professional goals, and find employment.

ASHLEIGH MOLE

AAS, Cybersecurity

Ashleigh Mole landed a paid internship in cybersecurity with First Citizens Bank, and credits Wake Tech's Career Services with helping her stand out from other candidates.

"I know that my interview would not have gone nearly as well if I hadn't booked my appointment for interview preparation with Career Services."

- Ashleigh Mole

Advising | Tutoring | Career Counseling | Disability Services | Financial Aid

Libraries | Open Computer Labs | Academic Success Centers

Life happens. Come to Wake Tech's Care Center for confidential coaching and wellness services, as well as food, transportation, technology, money management or emergency financial assistance.

JARICK YON

AAS, Business Management

When his laptop stopped working, Jarick Yon was stuck without a way to complete his coursework. The Care Center was able to help.

"The Care Center gave me a new laptop and helped me get back on track."

- Jarick Yon
Class of 2024

Attend Wake Tech FOR A FRACTION / OF THE COST at a university.

Affordable Tuition | Payment Plan | Financial Aid | Work-Study | Scholarships

As a student, you're eligible to apply a scholarship through the Wake Tech Foundation, which can help you achieve your dream of earning a college degree. Scholarships are based on financial need or academic merit. Some are based on program of study, and some include leadership opportunities.

ANNIA IZQUIERDO

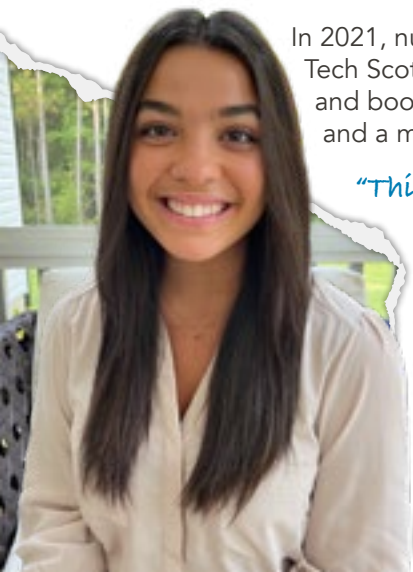

AAS, Nursing

Scholarships

In 2021, nursing student Annia Izquierdo was named one of two Wake Tech Scott Scholars. The prestigious award helped pay for tuition, fees and books, and came with a laptop, a summer internship placement, and a mentor from senior administration.

"This generous scholarship helped alleviate some of the financial obligations of college tuition so I could pursue my goal of becoming a medical professional and making a positive impact on other people."

- Annia Izquierdo
Class of 2022
