Dear President Scott:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Medical Laboratory Technician program's accreditation as decided at the September 21, 2012 meeting.

The Board of Directors' award is based on the continuing accreditation review process that included a site visit of your program in Spring 2012.

Accreditation for your program will continue until October 31, 2019. As a result, your program will commence the continuing accreditation process with submission of the Self-Study Report on October 1, 2018 and the scheduling of a site visit during Spring 2019. We provide this information to assist you in your program's administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS Certificate of Accreditation will be forwarded to the Program Director.

Sincerely,

Gerald A. Phipps
President, NAACLS Board of Directors
