Dr. Scott Ralls
President
Wake Technical Community College
9101 Fayetteville Road
Raleigh, NC 27603-5696

Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:

Program Closure

Associate in Applied Science (A.A.S.) in General Occupational Technology

Submission date:

7/28/2021

Intended Implementation date:

8/15/2021

Case ID:

SC015284

Wake Technical Community College is closing the Associate in Applied Science (A.A.S.) degree program in General Occupational Technology due to low enrollment.

All faculty, students, and staff were informed by email or Microsoft Teams of the program closure. No students are currently enrolled in the degree program. Thus, no students will be impacted by the closure at the site. All faculty, staff, and equipment connected with the program are being merged into existing health-related A.A.S. degree programs on the Perry Health Science off-campus instructional site. Students will not incur any additional charges because of the program closure. No faculty or staff members will be affected by the program closure. Faculty members will continue teaching in related health programs.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Associate in Applied Science (A.A.S.) degree program in General Occupational Technology.

Should you need assistance, please contact Dr. Larry L. Earvin at 404-679-4501 or via email at learvin@sacscoc.org.
