Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:
Program Closure
Certificate in Electrical Systems Technology
Submission date:
9/15/2021
Intended Implementation date:
12/15/2021
Case ID:
SC015832

Wake Technical Community College is closing the Certificate program in Electrical Systems Technology.

All faculty, students, and staff were informed by email or Microsoft Teams of the program closure. Thirty students are currently enrolled in the certificate program. All students will be advised and given the options of either completing the certificate program or transferring into another program. The parent program, the Associate in Applied Science (A.A.S.) degree program in Electrical Systems Technology will continue to be offered. Students will not incur any additional charges because of the program closure. No faculty or staff members will be affected by the program closure. Faculty members will continue teaching in related programs.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Certificate program in Electrical Systems Technology.

Should you need assistance, please contact Dr. Larry L. Earvin at 404-679-4501 or via email at learvin@sacscoc.org.

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Sincerely,

Belle S. Wheelan, Ph.D.
President
