

January 26, 2022

Dr. Scott Ralls
President
Wake Technical Community College
9101 Fayetteville Road
Raleigh, NC 27603-5696

Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:
Program Re-open
Diploma in Pharmacy Technology
Submission date:
9/13/2021
Intended Implementation date:
1/4/2022
Case ID:
SC015825

Wake Technical Community College requested the closing of the Diploma program in Pharmacy Technology in May 2019. The program was approved for closure on August 12, 2019. The faculty and Dean of Health Sciences requested the program to be re-opened in spring 2022 at the Perry Health Sciences Center as an embedded program sequentially aligned with the existing A.A.S. degree program in Pharmacy Technology. The College has the necessary faculty, equipment, financial, and other resources to support the Diploma program.

We accept notification to re-open the Diploma program in Pharmacy Technology. The program was closed on August 12, 2019, and will be re-opened as of January 4, 2022, fewer than five years after closure.

Should you need assistance, please contact Dr. Stephanie L. Kirschmann at 404-679-4501 or via email at skirschmann@sacscoc.org.

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Sincerely,

Kevin W. Sightler, Ph.D.
Director of Substantive Change
