Hours: TBD

Job Description: Chemistry Work-Study Student

POSITION: Lab Assistant

LOCATION: North Campus

SUPERVISOR: Sahel Shahroudi

You are expected to:

Be here during the hours you are scheduled to work.

Be on time and remain for the entire scheduled work time.

Call in if you are sick or have an emergency and cannot work.

Inform supervisor if you know you are going to be absent as far in advance as possible

Daily Duties:

Glassware washing

Solution prepping

Break down labs and update student drawers

Assist in set up of Chemistry labs

Inventory of supplies.

Other Duties include the following:

To refill all squirt bottles (acetone, methanol, and DI-water) on each lab bench as needed.

Replenish all paper towels and Kimwipes as needed.

Make sure all lab benches are in orderly fashion as designated by Supervisor.

Restock stock drawers with previously cleaned glassware or supplies.

Store extra equipment in its proper place, clean and dry.

Fill up hand soap dispensers

Supplies

List supplies needed on "Supplies List" posted in the prep rooms.

If supplies are urgently needed, please talk with your Supervisor.

End of the Week Lab Chores

Assist as directed by the Supervisor to collect all materials from the current week's lab from lab benches, center tables, and instructor's bench.

Under the supervision of the Supervisor, help with lab prep for next week's lab.

Wash and put away glassware and equipment.

Wipe down all lab benches, including instructor's bench and desk with designated cleaning solutions.

Check all sinks in lab for trash and other debris to be discarded. Flush sinks on as needed bases.

Refill hand-soap and glassware cleaner containers as needed.

Place stools or chairs in an orderly manner.

Final Lab Setup; Friday Checklist

	Are all squirt bottles filled and organized correctly?
	Are the paper towels and Kim wipes restocked for next week labs?
	Are the tables cleaned and clear?
	Are the student drawers checked and restocked?

	Is the lab prep for next week complete for supplies?
--	--

What to do if there's "NOTHING" to do:

1. Organize chairs in an orderly manner at the end of lab (if time permitting).
2. Dust the tops of the lab bench area where the paper towels and squirt bottles go.
3. Clean the test tubes in the racks on the lab benches as needed.
4. Dust the shelves, equipment, instruments, and supplies in the prep rooms

Time Sheets

1. Keep your time sheet up to date.
2. Sign in and out for each block of time that you worked.
3. Have supervisor sign your time sheet at the end of each month, then take your time sheet to Financial Aid Assistant in the Financial Aid Office, in a sealed envelope.
