Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:

Submission date:

Intended Implementation date:

Case ID:
SC012177

The institution provided information regarding two new associate degree programs (requiring only two new courses) that the institution has determined are not significant departures from existing programs. This does not appear to be a substantive change; thus, neither notification nor approval is required.

Please refer to the SACSCOC substantive change policy. Only changes defined in policy should be submitted for notification and/or approval; changes not defined in policy should not be submitted. For future submissions, clearly indicate the type(s) of policy-defined substantive change being submitted. Your SACSCOC vice president and the substantive change staff are available for guidance as needed.

The SACSCOC substantive change policy was revised in 2020. It includes many new requirements and changes to previous requirements. The *Substantive Change Policy and Procedures* and learning resources are available on the substantive change webpage at www.sacscoc.org.

We acknowledge the information.

Should you need assistance, please contact Dr. Larry L. Earvin at 404-679-4501 or via email at learvin@sacscoc.org.
