Dr. Scott Ralls
President
Wake Technical Community College
9101 Fayetteville Road
Raleigh, NC 27603-5696

Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:

Program Closure

Associate in Applied Science in Global Business Administration

Certificate in International Business

Submission date:

2/23/2022

Intended Implementation date:

6/1/2022

Case ID:

SC017619

The College will close the Associate in Applied Science in Global Business Administration degree program and the Certificate program in International Business.

All faculty, staff, and students were informed of the closure of the two programs by either email or online Teams meetings. Students were advised by Student Services that they could either complete their course of study or transfer into another program. No students incurred additional expenses or charges due to the closure.

Faculty, staff, and physical equipment connected with these two programs are being merged into the existing Associate in Applied Science degree program in Business Administration. Thus, no faculty or staff members will be adversely affected by the closures.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Associate in Applied Science in Global Business Administration and the Certificate in International Business.

Should you need assistance, please contact Dr. Stephanie L. Kirschmann at (404) 492-5388 or via email at skirschmann@sacscoc.org.
