ADMINISTRATION

Dr. Scott Ralls
President

Congratulations, Graduates!

This is a special day for you, a day you will look back upon with pride. It is also a special day for me -- my first graduation ceremony as president of this great institution. Since I began my presidency just a few short weeks ago, I have been awed by what I see: the commitment and perseverance of our students, and the passion of our faculty and staff. I am truly proud to proclaim that "I am a Wake!" Today, you begin a new journey, and can look to the future with confidence.

On behalf of the Wake Tech family, I congratulate you on your achievement. I wish you much success and a very bright future.
