

Certificate of AED Foundation Accreditation

Presented To
Wake Technical Community College - AG
Agricultural Tech Program

Affirming that the institution above offers to and conducts for its students a program in construction diesel/equipment technology that meets the standards stipulated by The AED Foundation's Technical Training Committee and is therefore entitled to recognition of AED Foundation Accreditation by the heavy equipment industry.

Awarded June 2023

Timothy Waters, Chairman
The AED Foundation

Brian P. McGuire, President
The AED Foundation
