Dr. Scott:

I would like to thank you and your staff for the professional manner in which they conducted themselves during our most recent accreditation renewal audit. They were professional, knowledgeable and very helpful during this process. After a thorough inspection and review, we are satisfied that Wake Technical Community College (WTCC) and its current staff are doing an excellent job and are committed to complying with all requirements as set forth in the N.C. Administrative Code.

It will be my pleasure to refer WTCC's accreditation renewal to the Education and Training Committee and request re-accreditation by the Criminal Justice Education & Training Standards Commission at the November 20, 2015 meeting.

Best regards,

Trevor Allen
Deputy Director, Training and Research
