

Special Pathways

Nurse Aide Cosmetology Medical Assisting

- Must complete all next steps in order to be eligible for registration.
- NAS students must complete next steps by designated deadline.
- NAS classes are held on various campuses.
- COS classes and labs are held on the SWC only!
- Do Not PANIC- If you have communicated with the department and are cleared, you will be registered late in the cycle.

Welding

- Space is determined by the department, on a first-come, first-serve basis.
- Students are only registered for courses that the department designates.
- Students do not need to submit a course selection form for WLD, TRN, and AUT courses.
- DO NOT PANIC- You will be registered late in the cycle.

Acceptance into Special Pathways *does not guarantee* a student a spot in a class.
All seating in Special Pathways is *limited*.
Please choose an *additional non-special pathway* for more course options.
