

EAGLE OPS

A Message from Dean McLamb

Congratulations once again to our veteran students who recently graduated!

We are thrilled about your future and all the possibilities it holds. Starting this new chapter can feel a bit nerve-racking, especially when you don't know what to expect. But remember—you don't have to do it alone. It truly takes a village, and here in the Military and Veteran Services Department, we are proud to be part of that village.

We also understand that some of you may need employment. Please be sure to check our page for information on the upcoming Resource Fair—a great opportunity to network and connect with potential employers. Additionally, we've included more job opportunities on page X for your convenience.

We hope to see you there!
