

Dear Scholars,

This newsletter is presented by the Pathways Success Scholars Mentorship Program. It is dedicated to celebrating and uplifting our First in Flight (FIF) students!

First in Flight is part of the Pathways umbrella, created to support and honor First Generation College Students as they navigate their unique journeys.

In this issue, you'll find highlights of upcoming events, success resources, and ways to get involved. Most importantly, we want to spotlight the resilience, achievements, and voices of our FIF community. Together, we're not just reaching milestones – we're setting the course for future generations to soar.
