FOREIGN CREDENTIAL EVALUATION AGENCIES

(for admissions purposes only)

The following agencies evaluate foreign educational credentials and "translate" them to their equivalent degrees or credits based on a U.S. semester system at an accredited institution. This service is **often not required** for admissions purposes for WAKE TECHNICAL COMMUNITY COLLEGE**.** However, if documents are not acceptable as presented to the Admissions Department, you may be asked to get a general evaluation for admissions purposes.

If you want to apply for transfer credits from a foreign institution to Wake Tech, please visit https://www.waketech.edu/student-services/registration-and-records/registration/transfer-credit.

The pricing for credential evaluation vary, but the average cost is $100.00 to $250.00. Students should call or visit the website for the individual agencies to obtain the current price and application procedures.
