Priority Admissions Process

To select applicants for the Medical Lab Tech program, Wake Tech uses a priority admission procedure – NOT a waiting list. The admission procedure for MLT is a two-part process utilizing both a first-come, first -served process and class completion. This procedure is used if there are more applicants who have met the minimum admission requirements (MAR) than there are available program spaces (24 seats). Those applicants with the most general courses classes (i.e. ENG 111, BIO 163, and CIS 110) completed with a "C" or better and with the earliest program application submission date will be selected for the available MLT seats.

Semester Offered	Course	Title (Credit Hours)	Prerequisites
		Complete the classes below as part of the priority admissions process.	
F, Sp, Su	BIO 163	Basic Anatomy & Physiology (5)	CHM 090 or equivalent
F, Sp, Su	MAT 143	Quantitative Literacy (3)	[DMA 010, DMA 020, and DMA 030] or DMA 025 or MAT 003
