Advanced Placement LPN to RN Program Checklist

WAKE TECH
Health Sciences

As a limited enrollment program, the Advanced Placement LPN to RN program has a selective, competitive admission process and includes additional requirements specific to the Nursing program. Please make sure you have met all requirements below before submitting your program application.

☐ Complete Wake Tech application process at apply.waketech.edu

☐ **Complete a mandatory Nursing information session.** Go to hsinfosession.waketech.edu for more information. *Students must complete information session before meeting with a health sciences advisor.*

☐ **AP/CLEP scores:** Submit *official* AP or CLEP scores for credit, if applicable.

☐ **Submit required educational transcripts.** Once received, your file will be reviewed for admissions and course placement. If you have college transcripts, verify transcripts are evaluated. Log in to WebAdvisor. Go to Current Curriculum Students → Plan and Register → My Progress. If your course is not there, please email tranevalreq@waketech.edu *It is the student's responsibility to follow up with Student Records for transfer credit.*

☐ **Meet math proficiency with one of the following:** *(Must be within 10 years of program application date)*
   ☐ Meet the NCCCS high school GPA waiver
   ☐ Meet appropriate scores on placement test (ACT/SAT/TEAS/CPT/GED/HiSET)
   ☐ Complete a college level math class with a "C" or better
   ☐ Provide proof of completion of an associate's degree or higher

☐ **Prerequisites:** The following classes must be completed with a "C" or higher by the program application deadline: BIO 168, BIO 169, BIO 175, PSY 150, PSY 241, SOC 210, and ENG 111. You may be enrolled in one of these classes during the spring semester prior to entry into the Advanced Placement LPN to ADN program; however, if admitted, your admission will be contingent on completing the class with a grade of "C" or better.
   ☐ ENG 111   Writing and Inquiry
   ☐ SOC 210   Introduction of Sociology
   ☐ PSY 150   General Psychology
   ☐ PSY 241   Developmental Psychology
   ☐ BIO 168   Anatomy and Physiology I (within 7 years of first NUR class)
   ☐ BIO 169   Anatomy and Physiology II (within 7 years of first NUR class)
   ☐ BIO 175   Microbiology (within 7 years of first NUR class)

☐ **Take the TEAS test** and have a composite score of 59% or higher by application deadline.
   ☐ Register to take the TEAS test at atitesting.com
   ☐ Scores are good for five years. The TEAS can be taken twice in a calendar year with a minimum of 30 days between each test.
   ☐ Submit official scores through atitesting.com

☐ **Work experience:**
   ☐ Student must verify 18 months of LPN work experience within 2 years of program application deadline.

☐ **Submit program application. All of the above requirements MUST BE COMPLETED by the application deadline:**
   ☐ Application deadline January 31 for Summer NUR entry

Competitive Admissions Process

To select applicants for programs with limited clinical spaces, Wake Tech uses a competitive admission procedure with a point system – NOT a waiting list. Those applicants with the highest number of points will be selected. Applicants will be assigned points for general education courses that are part of the Associate Degree Nursing curriculum that have been completed by the application deadline.

- January 31 application deadline: points will be accrued for classes completed through the prior fall semester.

How to Calculate Your Points

ENG 111	ENG 112	HUM elect.	SOC 210	PSY 150	PSY 241	BIO 168	BIO 169	BIO 175
A – 12	A – 12	A – 12	A – 12	A - 12	A – 12	A – 32	A – 32	A – 24
B – 9	B – 9	B – 9	B – 9	B – 9	B – 9	B - 24	B – 24	B – 18
C - 6	C - 6	C - 6	C - 6	C - 6	C – 6	C - 16	C - 16	C - 12

Additional points will be awarded based on the TEAS composite scores as follows:

- 71-80 = 6pts;
- 81-90 = 12pts;
- 91+ = 20 pts

To receive points for BIO 168 (Anatomy & Physiology I), BIO 169 (Anatomy & Physiology II) and BIO 175 (Microbiology), the class must be completed within seven (7) years of the first NUR class. If you have completed BOTH BIO 168 and BIO 169, the seven (7) year requirement is based upon the completion date of BIO 169.

If students receive credit based on AP, CLEP, or DANTES exam scores, points will be award equivalent to a "B" – 9 points. AP, CLEP, or DANTES exams will not be accepted for BIO classes.

If grade of "B" or a "C" is earned in a class, the class can be retaken. Points will be awarded on the highest grade earned. If a grade of "D, F, or WF" is earned in a class, 0 (zero) points will be awarded, and the class must be repeated to earn a minimum "C" grade.

HUMANITIES/FINE ARTS ELECTIVE: Students only need ONE humanities/fine arts elective. Choices can include any of the following but speak with an advisor for other choices:

☐ ART 111   ☐ ART 114   ☐ ART 115   ☐ HUM 115   ☐ MUS 110   ☐ MUS 112   ☐ PHI 215   ☐ PHI 240

The Nursing department is constantly evaluating the admissions procedures and reserves the right to make changesas the need arises. Speak with a Health Sciences Advisor to verify the requirements to submit a program application for the application deadline you want to apply for. Students are responsible for meeting the current program requirements.

If you have any questions, please contact the Health Sciences Advising team at hsadvising@waketech.edu
