F-1 Responsibilities

How do I stay legal in the U.S.?

- Maintain at least 12 credit hours for the Fall and Spring semesters
- Summer semesters are the only approved vacations
- Make sure your I-20 does not expire
- Keep an updated U.S. address, email, and telephone number on file within 10 days
- DO NOT work without proper authorization

Maintaining Credit Hours

Current students must register for and maintain at least 12 credit hours for the Fall and Spring semesters.

New students starting in the Summer semester must register for and maintain at least 9 credit hours for their first Summer semester.

Credit Hours

If you are registered for 12 credit hours and chooses to withdraw “W” from a course, then you will be considered out of status. Remember, you must register for and **complete the semester with at least 12 credit hours**. The grade of “W” does not count towards the credit hour requirements.

You must receive approval from the Coordinator of International Student Admissions before withdrawing from a course(s).

Online Courses

You can only take one online course per 12 credit hours per semester.

Now, please consult with your academic adviser to complete the course planning for the entire program to ensure you will adhere to the online course limitation.

No Retakes

If you do not fail a course, you can not retake the course. If you need to retake a course, you will have to come to the International Student Office to discuss your options. You will have to do this before you register for the course again. If you retake courses without permission from the International Student Office, your I-20 will not be extended.

Failing Courses

You can not continuously fail courses. If you continue to fail courses, your I-20 will not be extended.

You must make progress towards completion.

Change of Major

You must receive approval from the Coordinator of International Student Admissions before completing a change of major form with an academic advisor.

Vacation Time

You can only take a vacation during the Summer semesters. Before you travel out of the U.S., please make sure page 2 of your I-20 is signed.

Signature is usually good for one year. But, we like to sign every six months.

F-1 Work Options

- DO NOT WORK without authorization. Work authorizations for F-1 students are very limited.
- You are allowed to work on campus if a job is available.
- Depending on your program of study, you may be allowed to work for a semester.
