

Plan-Do-Study-Act (PDSA) Cycle: Guiding Questions for Learning and Assessment

1. <u>What</u> outcome(s) will be measured? Program/Operational or Student Learning?	2. <u>How</u> can you measure the desired outcome, and how will you know when its met (target)?	3. <u>Where</u> and <u>how</u> will data/evidence be collected?	4. <u>Who</u> will collect and analyze the data/evidence, and <u>how often</u>?	5. What are the assessment findings?	6. How will findings be reported, communicated, and used for improvement?	7. What has been the impact of improvements and what needs to be revised?
