## Virtual General Admissions Q&A

Talk with an admissions professional about college — and how to navigate your way through the admissions and enrollment process.

## Virtual Visits

Recruitment and Outreach officers provide an overview of the college and offer assistance to complete the Wake Tech application, and answer any questions about the Residency Determination Services (RDS) application. These visits are ideal for high school seniors interested in Wake Tech.

## Virtual One-On-One Appointments

For those who don't feel comfortable asking questions in a group setting, we're happy to meet in a private, personal session.
