

Additional Expenses for Nurse Aide I

- **Health Insurance** **Cost determined by Insurance Company and policy premium.**
- **Copies of 2 official signature bearing ID's, with matching names, one of which must be a US government issued, valid photo ID and the other must be a US Social Security card.** The Social Security card must be signed. The card must NOT be laminated. **Cost for copies.**
- **Copy of CPR certification.** American HEART Association Basic Life Support (BLS) for the Health Care Provider (HCP) certification is required. Online CPR is not accepted as you must actually demonstrate CPR on a manikin in front of an instructor for your CPR certification to be accepted. Wake Technical Community College offers CPR classes.
([See list of available Wake Tech CPR classes.](#)) **Wake Tech cost \$75.00 + \$20.00 book.**

If CPR is taken elsewhere, cost determined by other facility.

- **Copy of your Wake Technical Community College photo ID.** (ID may be obtained on any campus) **No charge**
- **Correctly completed Health Sciences Student Medical form.**

Cost determined by medical office where physical is performed.

- **Proof of the following immunizations:**
 - TDAP within last 10 years
 - 2 MMR (CDC requires 28 days between vaccines) or proof of immunity
 - 2 Varicella (CDC requires 28 days between vaccines) or proof of immunity
 - 2 Negative PPD (TB) within the past 12 months. The last test must be within 1 year of the last day of the class. We will accept the QuantiFERON Gold TB Blood Test.
 - 3 Hepatitis B or sign decline waiver
 - Flu shot for classes with clinical dates between October 15 and April 30

If shots or titers (blood test) are necessary, cost is determined by lab or medical facility providing service.

Items below must be purchased by the Clinical phase of the class

Tops/pants – neat, clean, wrinkle free navy blue scrub. A solid white or navy blue shirt may be worn under the scrub top. Pants must fit at the natural waist and be long enough to cover the ankle.

Shoes - BLACK, non-canvas, closed toe, closed heel (black sneakers are acceptable)

Socks/Hose - black (no portion of the leg or ankle should be visible)

Watch with a second hand and a stethoscope

Cost for items listed above are dependent upon place of purchase.
