Dear Shannon Natale:

It is a pleasure to inform you of the following action taken at the Pharmacy Technician Accreditation Commission meeting on October 26, 2021:

VOTED

To approve for reaccreditation the pharmacy technician training program at Wake Technical Community College, Raleigh, North Carolina; further,

To grant accreditation for six years (2027); a midterm progress report will be requested in three years.

(Note: The Commission identified that areas of partial compliance 1, 2, 3, and 4 have been resolved to its satisfaction and no further information needs to be provided in these areas on the midterm progress report; all other areas of partial compliance should be addressed.)

The Commission arrived at its decision based on a thorough review of the report of the survey conducted on December 31, 2020 and on your facility's response to the survey findings. The ASHP and ACPE Board of Directors reviewed and accepted the Pharmacy Technician Accreditation Commission's actions on January 20, 2022 and January 26, 2022. This pharmacy technician education and training program has been duly accredited by ASHP/ACPE since April 21, 2014. Accreditation is granted subject to the provisions set forth in the *ASHP/ACPE Regulations on Accreditation of Pharmacy Technician Education and Training Programs*. We congratulate you and the members of your staff on receiving accreditation for your pharmacy technician education and training program.

Sincerely,
