

# TECHNICIAN EDUCATION COLLEGE SUPPORT

NOW OPEN TO HIGH SCHOOL

Toyota is excited to announce the all new Technician Education College Support (TECS) program. TECS is designed to supplement your existing curriculum and help students interested in a career with Lexus or Toyota to gain a “head start” in their training.

TECS is available to post-secondary automotive programs as well as secondary automotive programs. However, it is limited to participants 16 years and older.

Students who complete the eLearning modules will qualify to become a Lexus Certified Technician or a Toyota Maintenance Level Certified Technician.

## TECS WILL HELP ADD VALUE TO YOUR SCHOOL’S AUTOMOTIVE PROGRAM IN 3 WAYS:

Provide access to the Technical Information System (TIS), a full featured online library of repair and training information

Provide access to Lexus and Toyota online Technician eLearning courses

Promote employment opportunities with your neighboring Lexus and Toyota dealerships

For more information, or to sign up, please email

[tten\\_support@toyota.com](mailto:tten_support@toyota.com)
