		6	0	0	6

TOTAL GRADUATION REQUIREMENT: 18 SEMESTER CREDIT HOURS

NOTES:

HSE 110 and PSY 150 are offered in multiple semesters. However, please note that HSE 110 is a prerequisite for MHA 150 and PSY 150 is a prerequisite for MHA 155.

* Students have a choice between HSE 225 Crisis Intervention and PSY 265 Behavior Modification. Please note that PSY 150 is the prerequisite of PSY 265.

Students are encouraged to meet with a Human Services Department Faculty Advisor before registering for courses in the Mental Health Certificate.

This certificate is designed for individuals who are enrolled in other human services programs and would like additional education on mental health or who are in professions where they will come in contact with individuals or groups with mental health challenges. For example, this will provide increased knowledge for individuals in the field of criminal justice, health care, childcare and business.

Students who are enrolled in more than one human services curriculum should speak with their advisor to discuss specific classes that are duplicated in the programs and determines available credit.

This program planning guide is for advising purposes and is subject to change. Only the Registrar can clear students for graduation.
