Students are encouraged to meet with a Human Services Department Faculty Advisor before registering for courses in the Substance Abuse Certificate.

This Certificate is designed for individuals who already hold a degree in a Human Services related field. The certificate **assists** students in **meeting the SAB educational and practice requirements** for Certification and/or Licensure for the North Carolina Substance Abuse Professional Practice Board (NCSAPPB). Students who do not have an Associate's degree, Bachelor or Master's degree in a Human Service related field are not likely to obtain employment as a Substance Abuse Counselor with only the Substance Abuse Certificate.

Students need to contact the NCSAPPB for additional Certification/Licensure requirements.
