Basic IET Information

- All IETs require 90% attendance
 - This includes arriving on time and staying until the end of every class in the program
 - This is required for the certificates and is non-negotiable
 - If a student cannot commit to at least 90% attendance, they should wait until their schedule allows for the commitment
- IETs require homework and independent studying
 - Homework is graded and required
 - Tests and quizzes require studying
- When the IET has ended, the students return to regular CCR classes
- Financial sponsorship includes
 - Tuition
 - Books & materials
 - Exam fees

What are the benefits of an IET?

- English classes in the topic of the workforce training
- Workplace readiness classes to help prepare you to provide excellent customer service and exceed the expectations of excellent workmanship in US workplace culture
- Financial sponsorship to pay tuition, books, and exam fees
- Resume writing, interview skills, and introductions to local employers
