Dear Dr. Scott:

Thank you for your letter of May 15, 2009, providing information concerning your intent to open an additional campus effective August 2010. We apologize for the delay in responding. The name and location of the campus will be as follows:

Public Safety Training Campus  
321 Chapanoke Road  
Raleigh, NC 27603

The first programs which will be moved to this campus from the College's main campus are the Associate in Applied Science degrees in Criminal Justice Technology and Latent Evidence and the Certificate program in Basic Law Enforcement Training. The new campus will also provide continuing education (non-credit) in-service training courses in law enforcement, EMT, and Fire Service to the county's first responder personnel.

**We accept notification of plans to open a new campus effective August 2010 and request that the College submit a prospectus for approval at least three months prior to the opening of the campus.** The outline for the prospectus may be found in Exhibit A of the *Substantive Change Policy*, available on our website, [www.sacscoc.org](http://www.sacscoc.org). Should you need assistance, please contact Dr. Jack Allen by telephone at 404-679-4501, ext. 4524, or by email at [jallen@sacscoc.org](mailto:jallen@sacscoc.org).
