Dear Dr. Scott:

Thank you for your letter of July 7, 2010, providing notification that, effective August 2010, the College will offer the diploma in cosmetology, a workforce development program, at the North Carolina Correctional Institution for Women.

The address of the site is as follows:

North Carolina Correctional Institution for Women
1034 Bragg Street
Raleigh, NC 27610

The College currently offers the Food Services Technology and Computer Information Technology diplomas at the Correctional Institution, a site which was reviewed during the reaffirmation activities in 2005. The A.A.S. in Cosmetology is offered on the main campus; thus the diploma is not a significant departure. **We accept notification that the College will offer the diploma in cosmetology at the North Carolina Correctional Institution for Women, effective August 2010, and request no further information.**

Best regards,
