Dr. John B. Boone
Director of Institutional Effectiveness,
Research, and Events
Wake Technical Community College
9101 Fayetteville Road
Raleigh, NC 27603-5696

Dear Dr. Boone:

Thank you for your letter of May 6, 2011, notifying the Commission on Colleges of several credit program additions and terminations that will occur in the fall 2011 semester at Wake Technical Community College. The following programs have been renamed but have no change in the number of credits required:

Hospitality Management (Associate Degree) was Hotel Restaurant Management

Hospitality Hotel Management (Certificate) was Hotel and Restaurant Management:
Restaurant Management

Hospitality Restaurant Management (Certificate) was Hotel and Restaurant Management:
Restaurant Management

Culinary Arts (Associate Degree) was Culinary Technology

Culinary Arts (Certificate) was Culinary Technology

We accept the information and shall add it to your file.

The following change is a program that has been terminated:

Medical Office Administration: Medical Billing and Coding (Certificate)

Students currently enrolled in the program will be allowed to complete the certificate or transfer to other Medical Office Administration certificates. Faculty members are part of the Office Administration associate degree program.

We accept the notification of the termination of the certificate program and require no additional information.

The following changes are new programs:

Accounting (Diploma) – The College currently offers the Accounting associate degree and several accounting certificates.

Hospitality Management (Diploma) – The College currently offers the Hospitality Management associate degree and several Hospitality Management certificates.

Baking and Pastry Arts (Diploma) – The College currently offers the Baking and Pastry Arts associate degree and the Baking and Pastry Arts certificate

Culinary Arts (Diploma) – The College currently offers the Culinary Arts associate degree and the Culinary Arts certificate.

Medical Office Administration (Diploma) – The College currently offers the Medical Office Administration associate degree and several Medical Office Administration certificates

Hospitality Even Management (Certificate) – The College currently offers Hospitality Management associate degree and Hospitality management diploma

Career Success (Certificate) – This certificate is connected with the Business Administration associate degree which is offered by the College.

Principles of Identification and Information (Certificate) – This certificate (offered on the Public Safety Education Campus) is connected with the Criminal Justice Technology: Latent Evidence associate degree.

Since these programs do not represent significant departures from your approved curriculum, we accept the notification and require no additional information.

The following are terminations of collaborative agreements:

Biopharmaceutical Technology (with Nash Community College, NC, and Wilson Community College, NC) – located on the main campus. The College currently offers the Biopharmaceutical Technology associate degree and the Biopharmaceutical Technology: Applied Biopharmaceutical certificate. Students enrolled in the collaborative program will be allowed to finish their degree. The termination date is May 5, 2011.

Interventional Cardiac and Vascular Technology (Johnston Community College, NC, awards the degree) – located at Johnston Community College, 245 College Road, P.O. Box 2350, Smithfield, NC 27577. Johnston Community College has terminated the collaborative agreement with Wake Technical Community College pertaining to Interventional Cardiac and Vascular Technology associate degree. Students will be allowed to complete their program online through Johnston Community College. The effective date of the termination is summer 2011.

Geospatial Technology (Central Piedmont Community College, NC, awards the degree). The program is located at Central Piedmont Community College, P.O. Box 35009, Charlotte, NC 28235. Central Piedmont Community College, effective fall 2011, has terminated the collaborative agreement with Wake Technical Community College pertaining to Geospatial Technology associate degree. Students will be allowed to complete their program online through Central Piedmont Community College.

We accept the termination of the programs offered through collaborative agreements and require no additional information.

Best regards,

A handwritten signature in cursive script that reads "Belle S. Wheelan".
