Dear Dr. Boone:

Thank you for your letter of November 29, 2011, and the notification of your intent, effective January 2012, to offer two new credit certificate programs:

Introduction to Law Enforcement
Business Administration: Marketing and Management

Both of these certificates are part of the Career and College Promise Program established by the State of North Carolina for selected high school students. The Career and College Promise Program replaces the Huskins and Learn and Earn programs as of January 2012. This new Business Administration: Marketing and Management certificate will be offered at the college's main campus. Courses connected with the new Introduction to Law Enforcement certificate will be offered online and at Fuquay-Varina High School (two seated courses at Fuquay-Varina High School and four courses online). This certificate replaces the Principles of Corrections certificate which was initially a part of the Career and College Promise Program.

Since this is not a significant departure from your approved curriculum, we accept the notification and request no additional information from you.

Best regards,
