

June 3, 2014

Dr. John B. Boone
Director of Institutional
Effectiveness and Research
Wake Technical Community College
9101 Fayetteville Road
Raleigh, NC 27603-5696

Dear Dr. Boone:

Thank you for your letter of March 5, 2014, providing notification that, effective fall 2014, the College will offer two new associate degree tracks within its approved A.A.S. in Computer Technology Integration program.

The degree tracks are as follows:

A.A.S. in Computer Technology Integration: Healthcare Business Informatics
A.A.S. in Computer Technology Integration: Data Storage and Virtualization

Because the College offers programs which are similar to the approved degree program and to the new tracks within the approved degree program, the degree tracks are not considered to be substantive changes requiring approval.

We acknowledge the information and will add it to our files.

Best regards,

Belle S. Wheelan, Ph.D.
President
