Dear Dr. Boone:

Thank you for your letter of January 16, 2015, providing notification that two new certificates will be offered, effective fall 2015.

The certificates are as follows:

- Architectural and Landscape Illustration Certificate
- Landscape Design Certificate

Both of the certificates include courses already offered in the approved Architectural Technology A.A.S. degree program. Because the new certificates are not significantly different from programs currently offered and will require no significant additional resources, they are not considered substantive changes requiring approval.

We acknowledge the information and will add it to our files.

Best regards,

Belle S. Wheelan, Ph.D.
