Dear Dr. Boone:

Thank you for your letter of February 22, 2016, notifying the Commission of the intent to submit a modified prospectus in spring 2017, for the following off-campus site where programs will be offered beginning August 2017:

RTP Campus  
10908 Chapel Hill Road  
Morrisville, NC 27560

We accepted notification of the off-campus site in a letter dated April 15, 2015, and requested a prospectus for site approval at that time. The academic programs to be offered at the site were listed, and all are currently offered at three existing approved sites—Main Campus, North Campus, and Western Wake Campus.

**Please submit the prospectus as soon as possible.**

Best regards,
