Dear Dr. Boone:

Thank you for your letter of April 5, 2016, notifying SACSCOC of your intention to terminate the Regionally Increasing Baccalaureate Nurses (RIBN) transfer agreement with Winston-Salem State University, effective March 9, 2016. The transfer agreement provides for students to obtain an Associate in Nursing degree from Wake Technical Community College and a Bachelor of Science in Nursing from Winston-Salem State University.

The agreement is no longer necessary because of a University of North Carolina System wide articulation agreement for the RN to BSN. In addition, the grant funding for the RIBN program has been terminated. **We acknowledge this information and will add it to the file.**

Best regards,
