Dear Dr. Boone:

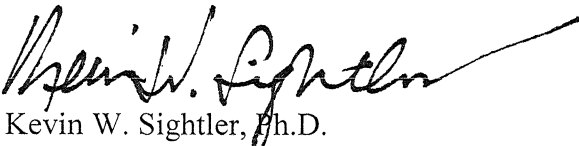

Thank you for your letter of February 28, 2017, providing notification of a name change for an existing approved program, effective fall 2017.

The Associate in Applied Science degree in Criminal Justice: Latent Evidence will change to Associate in Applied Science degree in Criminal Justice: Forensic Science. A crosswalk was provided to explain the minor program changes as part of the name change. Further, the newly named program is closely related to the existing A.A.S. degree in Criminal Justice.

The change in name of the existing degree program does not constitute a substantive change requiring approval.

We acknowledge the information and will add it to our files.

Best regards,

Kevin W. Sightler, Ph.D.
Director of Substantive Change
