Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:

Program Closure

Basic Certificate Program in Fire Protection Technology

Submission date:

2/15/2019

Implementation date:

8/1/2019

Case ID:

SC005061

Wake Technical Community College will close and create new certificate programs under the existing Associate in Applied Science (A.A.S.) degree programs in Criminal Justice, Fire Protection Technology, Early Childhood Education, and Accounting.

The Basic Certificate program under Fire Protection Technology will be closed. Students enrolled in the terminated certificate program will be notified of the closing and will be allowed to complete the program or transfer into another academic program. They will not incur any additional charges as a result of the program closure. No faculty or staff member will be affected by the closure. They will continue to work in the parent A.A.S. degree program.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Basic Certificate program in Fire Protection Technology.

Should you need assistance, please contact Dr. Larry L. Earvin at 404-679-4501, ext. 4587 or via email at learvin@sacscoc.org.

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Sincerely,

Belle S. Wheelan, Ph.D.
President
