Dear Dr. Ralls:

Thank you for submitting the following substantive change:

Substantive change:  
**Not Elsewhere Categorized**  
Submission date:  
**3/13/2020**  
Implementation date:  
**8/1/2020**  
Case ID:

Additional information was requested by the Commission via email; the response has been incorporated into the original submission.

Wake Technical Community College informed SACSCOC of the development of the Certificate programs in Management Accounting and Fraud Examination to be implemented in fall 2020.

The institution does not believe that the programs represent a substantive change to its existing offerings. The certificates are comprised of courses primarily from the Associate of Applied Science (A.A.S.) degree program in Accounting and Finance.

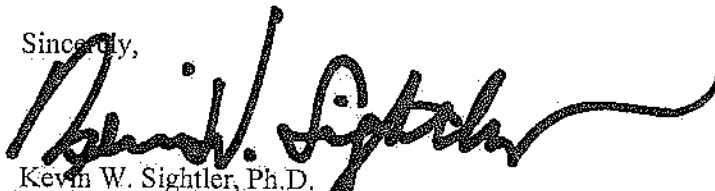

The repackaging of curricula with minor new content does not constitute a substantive change. The Commission does not require notification or approval.

**We acknowledge the information.**

Should you need assistance, please contact Dr. Larry L. Earvin at 404-679-4501 or via email at [learvin@sacscoc.org](mailto:learvin@sacscoc.org).

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Sincerely,

Kevin W. Sightler, Ph.D.  
Director of Substantive Change
