Dear Dr. Boone:

Thank you for your letter of April 17, 2013, providing additional information concerning the proposed Associate in Fine Arts: Art and Associate in Fine Arts: Music and Music Education degrees. Your earlier letter of October 30, 2012, indicated that nearly half of the courses in the two degrees would be new. Further investigation on your part determined that this is not the case. Both degrees build on the College's general education curriculum and existing art and music courses.

By means of this letter, we rescind the request for a prospectus for the two programs. We accept notification of the AFA in Art and the AFA in Music and Music Education programs and require no additional information.

Best regards,

Belle S. Wheelan, Ph.D.
