

August 4, 2017

Dr. Stephen C. Scott  
President  
Wake Technical Community College  
9101 Fayetteville Road  
Raleigh, NC 27603-5696

Dear Dr. Scott:

The purpose of this letter is to correct an omission in our letter to you dated July 26, 2017, approving the following off-campus site:

North Wake College and Career Academy  
931 Durham Road  
Wake Forest, NC 27587

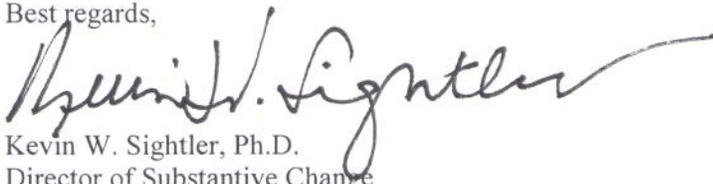

The prospectus submitted by the College listed the following programs which will be offered at the site:

- Culinary Arts Certificate
- Hospitality Management Marketing Certificate
- Hospitality Management Service Certificate
- Early Childhood Education Certificate
- Emergency Medical Science Certificate
- Hardware Support and Repair Certificate

Each of the certificate programs is a part of an approved associate degree program offered by the College. However, in our letter approving the off-campus site, the Hardware Support and Repair Certificate program was erroneously omitted from the list of programs to be offered there.

**We apologize for the error and acknowledge that the Hardware Support and Repair Certificate program will be offered at the site along with the other programs listed above.**

Best regards,

Kevin W. Sightler, Ph.D.  
Director of Substantive Change
