Dear Dr. Scott:

Thank you for your letter of November 1, 2005, and the proposed timetable for submission of prospectuses and visiting committee review for the following two off-campus instructional sites:

Western Wake Center
3434 Kildaire Farm Road
Cary, NC 27511

North Campus
6600 Louisburg Road
Raleigh, NC 27616

By Fall Semester 2006, students will be able to take more than 50% of their AA coursework at the Western Wake Center; you propose to submit a prospectus for that site in April 2006. The North Campus is scheduled to open Fall Semester 2007; you propose to submit a prospectus for that site in January 2007. Furthermore, you propose a single visiting committee for both sites during Fall Semester 2007.

After consultation with Dr. Michael Johnson, we agree with the proposed timeline. We accept your notification and look forward to receiving the relevant prospectuses. I hope that you and your family enjoy a bountiful holiday season and that you have some time for rest and relaxation.

Best regards,
