

Certificates in *Essential Spanish* and *Intermediate Spanish*

At a time when our nation's population is growing more diverse, this new certificate prepares you to communicate with an increasingly large portion of the local and international population, while enhancing career opportunities.

The certificate courses allow you to explore the rich dimensions of the Spanish language through culture, history, conversation, and grammar.

Who will benefit from these certificates?

1. Professionals who work with or on behalf of the Spanish speaking community
2. Those in government or service occupations
3. Businesses seeking to increase their appeal to a Spanish-speaking customer base.
4. Individuals seeking a fresh understanding of the language in order to better relate to family, friends, or for travel.

Spanish Language Certificates

Gain a well-rounded understanding of the Spanish language, from culture and history to conversation and grammar.

The adult Spanish Language Certificates are designed for people looking to compete in the world market or for personal enrichment.

This program can also benefit business and industry leaders who interact with Spanish speaking consumers and employees.

The Wake Tech Continuing Education Certificate in Essential Spanish and Certificate in Intermediate Spanish are non-credit certificates.

No college credit will be awarded; however, completion of a certificate demonstrates your comprehension and level of knowledge of the Spanish language.
