Before you begin...

**Are you a New Student or Continuing
(Current) Student?**

New Students vs Continuing (Current) Students

New Students

- Students who have never been admitted into the CCP program at Wake Tech prior to the current term.
- Required Enrollment Steps prior to course registration:
 - New Student Application Enrollment Form(s) Approval
 - Activate Wake Tech Account and Email
 - New Student Orientation
 - eLearning Intro (Online Courses Only)

New Students vs Continuing (Current) Students

Continuing (Current) Students

- ❑ Students who have been previously admitted prior to the current term into the CCP program at Wake Tech.
- ❑ Required Enrollment Steps prior to course registration:
 - ❑ Continuing (Current) Student Enrollment Form(s) Approval
 - ❑ eLearning Intro (Online Courses Only) *if not completed previously
- ❑ Continuing Student Form and updated transcript required each term of enrollment

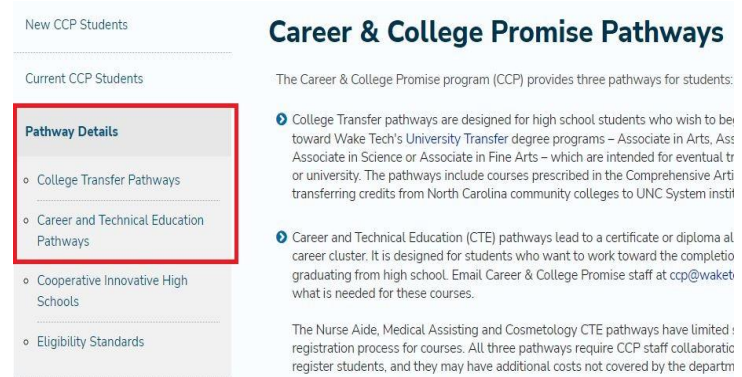

Pathway and Course Requirements

Pathway and Course Requirements

Reviewing Your Pathway(s)

- ❑ CCP Pathways can found in two locations:
 - ❑ CCP Pathway Details Webpage
 - ❑ Self-Service Portal (Admitted Students)
 - ❑ Log into selfserve.waketech.edu
 - ❑ Select “Student Planning”
 - ❑ Select “View Your Progress/Go to My Progress”

New CCP Students

Current CCP Students

Career & College Promise Pathways

The Career & College Promise program (CCP) provides three pathways for students:

- College Transfer pathways are designed for high school students who wish to be toward Wake Tech's University Transfer degree programs – Associate in Arts, Ass Associate in Science or Associate in Fine Arts – which are intended for eventual tr or university. The pathways include courses prescribed in the Comprehensive Arti transferring credits from North Carolina community colleges to UNC System insti
- Career and Technical Education (CTE) pathways lead to a certificate or diploma al career cluster. It is designed for students who want to work toward the completio graduating from high school. Email Career & College Promise staff at ccp@waketech.edu what is needed for these courses.

The Nurse Aide, Medical Assisting and Cosmetology CTE pathways have limited: registration process for courses. All three pathways require CCP staff collaborati register students, and they may have additional costs not covered by the departm

Requirements: [Expand All](#)

General Education Requirements

Approximate Program Progress (1 of 6 Groups Completed)

- Program Completion must be verified by the Registrar
- 25% of your coursework must be completed at Wake Tech
- University transfer students might be able to apply for another category. Be sure to check with your advisor

Pathway and Course Requirements

Reviewing Your Pathway(s) (cont.)

- ❑ Students are required to enroll only in courses within their approved pathway(s).

- ❑ Students are relegated to pathway “discipline restrictions” and “course pre-requisites”:
 - ❑ Example – Only nine (9) semester hour credits (SHC) can be attempted within the Humanities/Fine Arts/Communications discipline

 - ❑ Example – Select three (3) courses from two (2) disciplines: ART-111 / ART-114 / COM-120

 - ❑ Example – ENG-232 requires the completion of ENG-112 (or course equivalent) prior to course enrollment

Career & College Promise College Transfer Pathway Leading to the Associate in Arts (P1012C) Check Sheet

The CCP College Transfer Pathway Leading to the Associate in Arts is designed for high school students who wish to begin study toward the Associate in Arts degree and a baccalaureate degree in a non-STEM major. **High school students in the CCP College Transfer Pathway Leading to the Associate in Arts must complete the entire pathway before taking additional courses in the Associate in Arts degree.**

English Composition (6 SHC)

The following two English Composition courses are required.

- ENG-111 Writing & Inquiry (3 SHC)
- ENG-112 Writing/Research in the Disciplines (3 SHC)

Courses Taken

Humanities/Fine Arts/Communications (9 SHC)

From the following list, select three courses from at least two different disciplines.

- ART-111 Art Appreciation (3 SHC)
- ART-114 Art History Survey I (3 SHC)
- ART-115 Art History Survey II (3 SHC)
- COM-120 Introduction to Interpersonal Communication (3 SHC)
- COM-231 Public Speaking (3 SHC) (Pre-req of ENG-111)
- DRA-111 Theatre Appreciation (3 SHC)
- ENG-231 American Literature I (3 SHC) (Pre-req of ENG-112)
- ENG-232 American Literature II (3 SHC) (Pre-req of ENG-112)
- ENG-241 British Literature I (3 SHC) (Pre-req of ENG-112)
- ENG-242 British Literature II (3 SHC) (Pre-req of ENG-112)
- MUS-110 Music Appreciation (3 SHC)
- MUS-112 Introduction to Jazz (3 SHC)
- PHI-215 Philosophical Issues (3 SHC) (Pre-req of ENG-111)
- PHI-240 Introduction to Ethics (3 SHC) (Pre-req of ENG-111)

Pathway and Course Requirements

Reviewing Your Pathway(s) (cont.)

- ❑ **Warning: Registering for courses outside pathways and/or beyond the allotted discipline restrictions will result in courses being automatically dropped from a student's schedule.**
- ❑ **Completion of pathway requirements and approval by CCP Staff can result in students registering for courses outside of pathway.**

Course Registration

Course Registration

How to register for courses

- ❑ Students should visit the CCP Admissions, Advising and Registration page to view important information and the “how to register” video.

How to register for classes

The screenshot shows a student's course registration page. At the top, there's a navigation bar with 'SS REG 3' and a URL. Below that, a course card for 'MATH 113' (Precalculus Algebra) is shown with a status of 'Not Started'. The main section is titled 'E. Natural Sciences' and lists requirements for a group of courses. A table below shows the status of these courses: 'MATH 113' is 'In Progress' for 'General Biology I' in '2021FA' with 4 credits. Below this, section 'F. Additional Gen Ed' lists 14 elective requirements. A table shows the status of these: 'COM 110' (Introduction to Communication) is 'Registered' for '2021FA' with 3 credits; 'HUM 115' (Critical Thinking) is 'Fully Planned' for '2022SP' with 3 credits; and 'PSY 229' (Psychology of Personality) is 'Fully Planned' for '2023SP' with 3 credits. A video player with a play button is overlaid on the table.

Status	Course	Grade	Term	Credits
In Progress	MATH 113	General Biology I	2021FA	4

Status	Course	Grade	Term	Credits
Registered	COM 110	Introduction to Communication	2021FA	3
Fully Planned	HUM 115	Critical Thinking	2022SP	3
Fully Planned	PSY 229	Psychology of Personality	2023SP	3

Course Registration

Registering for Courses

❑ Planned Courses

- ❑ Students are able to add courses to their plan to prepare for upcoming/future terms. This is indicated by a yellow highlight.
- ❑ Just because a course is in your Plan does not mean you are registered.

❑ Registered Courses

- ❑ Students must click the blue “Register” button to ensure they have registered for a course. Courses are highlighted in green to confirm successful registration.

Course Registration

Registering for Courses (cont.)

❑ Self-Registration Period

- ❑ Allows students to register themselves during the designated timeframe set by the CCP Staff. CCP Staff will audit registered courses to determine if course drops are required.

❑ Manual Registration Period

- ❑ Self-registration is locked, and students are required to complete/submit the CCP Course Request Form. CCP Staff will review, and process requests sent by students.

Course Registration

Registering for Courses(cont.)

Term Types

- 16-Week (Fall/Spring)
- 12-Week (Fall/Spring)
- 10-Week (Summer Only)
- 1st and 2nd 8-Week (Fall/Spring/Summer)
 - Mini-mesters not recommended for CCP Students due to rigor and pace of instruction.

Example	16-week semester	First 8-week session	Second 8-week session	12-week session
Semester starts	5-Jan	5-Jan	3-Mar	3-Feb
Last day to drop without "W" grade	17-Jan	10-Jan	8-Mar	10-Feb
Last day to withdraw with 'W' grade	21-Mar	8-Feb	14-Apr	31-Mar
Semester ends	8-May	2-Mar	8-May	8-May

Course Registration

Registering for Courses (cont.)

- ❑ **“G” Sections (English and Math Courses)**
 - ❑ Designed for students who may need additional support in the designated subject areas.
 - ❑ Students are required to register/enroll in the “0” level course(s) if a “G” section is selected during registration.
 - ❑ Examples:
 - ❑ ENG-111-0001G and ENG-011-0001G
 - ❑ MAT-171-0001G and MAT-071-0001G
 - ❑ CCP Students are not recommended to enroll in “G” sections, but are able in the event course availability is limited for English and Math.

Course Registration

Registering for Courses (cont.)

- ❑ **Proctored Exams**
 - ❑ **Students in online and hybrid courses may be required to complete tests or assignments with a proctor at a Wake Tech e-Learning Testing Center (no student fee involved) or an approved proctoring location. Approved proctoring locations off Wake Tech campuses may include a student fee to cover the cost of the service by the provider.**
 - ❑ **Students should review the course syllabus to determine if proctored exams are required.**

Attendance, Grades & Satisfactory Academic Progress

Attendance, Grades & Satisfactory Academic Progress

Attendance Policy

Absences

- A class absence is defined as missing one-third or more of any regularly scheduled class meeting.
- Students who know of upcoming absences should notify their instructors in advance. If advance notice is not possible, students should contact instructors immediately upon their return to class.
- Students are expected to attend at least 90% of all scheduled class meetings. If a student's absences in a class exceed 10% and are not justified to the satisfaction of the instructor, that instructor will submit an online withdrawal form to Registration and Student Records documenting the student's last date of attendance.

Course Entry Quiz (Hybrid and Online Courses)

- Your entry into each online class is the Course Entry Quiz. You must complete the quiz by the 10% point of the semester to remain in the class.

Attendance, Grades & Satisfactory Academic Progress

Grades

Grade Points

Grade	Points per credit	Explanation
A	4	Excellent
B	3	Very good
C	2	Satisfactory
D	1	Poor
F	0	Failing
W	0	Withdrawal (prior to 60%)
WF	0	Withdrawal/Failing (after 60%)
WP	0	Withdrawal/Passing (after 60%)

Grades of W and WP will not be used in computing grade point averages

Attendance, Grades & Satisfactory Academic Progress

Grades (cont.)

- ❑ Enrollment reports are sent to local high school partners.
- ❑ WTCC Transcript

Drop

- ❑ Doesn't appear on transcript
- ❑ Request must be made by 10% point of term/session

Withdrawal

- ❑ Request made after the 10% point of term/session
- ❑ Appears as a "W" on WTCC transcript

Withdrawal Fail

- ❑ Request made after the designated withdrawal request deadline
- ❑ Appears as a "WF" on WTCC transcript

Not Attended

- ❑ Result as a failure to complete the course entry quiz for online/hybrid course(s)
- ❑ Appears as a "NA" on WTCC transcript

It is the student's responsibility to keep up with drop and withdrawal dates. Your high school may assign an 'F' or 'WF' for a withdrawal. Please talk to you high school designee about how withdrawals are listed on your high school transcript. Note that "withdrawals" may affect Financial Aid status if applying to Wake Tech after high school graduation. Any question about how a class will be shown on your high school transcript is up to your high school. For any questions that relate to high school policies, please talk to your Dean of Students, CDC or Counselor.

Attendance, Grades & Satisfactory Academic Progress

Satisfactory Academic Progress

- ❑ **CCP/WTCC Academic Standing Policy (Effective Fall 2022)**
 - ❑ A student must maintain a minimum of a 2.0 GPA in college coursework after completing two courses at Wake Tech. Failure to meet the Academic Standing Policy will be subject to “Academic Concern” and/or “Discontinuation of CCP Enrollment”.

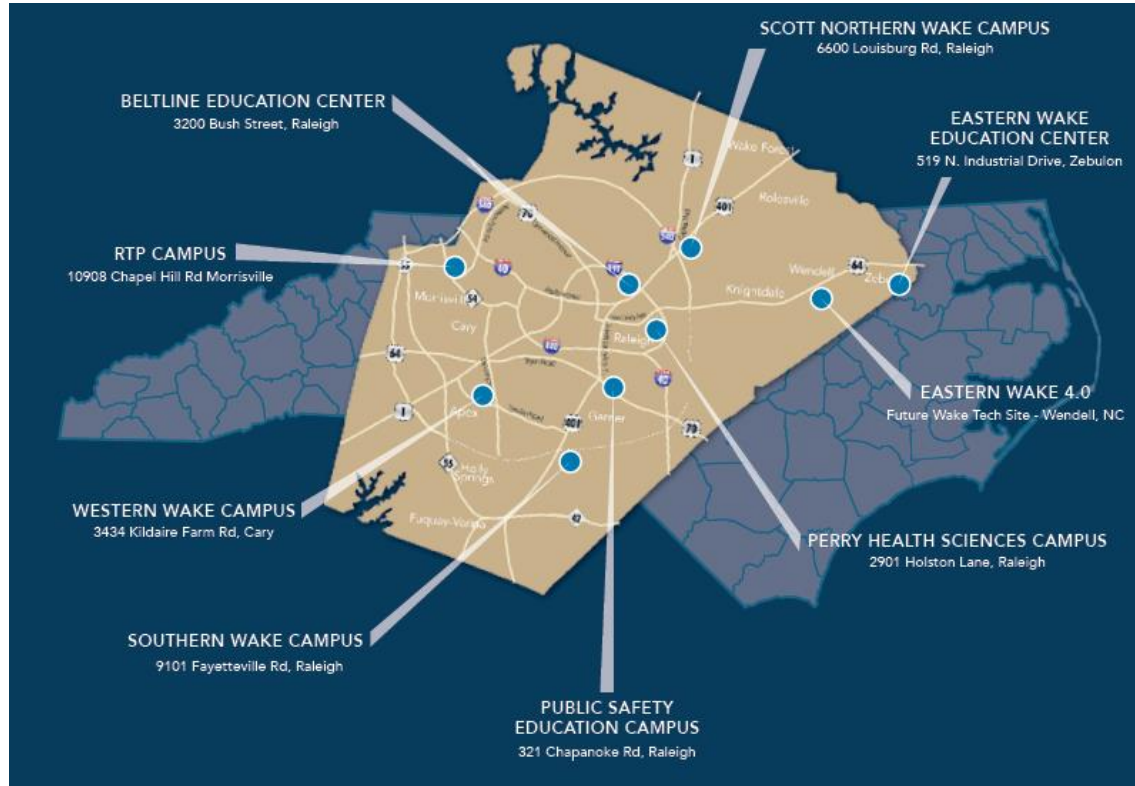

- ❑ **Academic Concern**
 - ❑ If a 2.0 cumulative GPA is not met during any initial term while a student is actively enrolled in the program, the student will receive a notice of “Academic Concern”. The notice will provide helpful information and resources to support the student for the upcoming subsequent semester in which the student plans to participate. Academic Concern will not remove/terminate a student from the CCP program.

- ❑ **Discontinuation of CCP Enrollment**
 - ❑ If a 2.0 cumulative GPA is not met after a subsequent semester of Academic Concern, the student will no longer be eligible to participate in CCP. Discontinuation will not prevent students from enrolling at Wake Tech upon graduating from high school.

Campus Resources, Services & Other Information

Campus Resources, Services & Other Information

Campus Resources, Services & Other Information

Campus Resources, Services & Other Information

Care Center

- ❑ Wake Tech's Care Center can provide the guidance and resources to help you stay on track to achieve your educational and career goals. The center creates and maintains a circle of student care to clear a path toward success.

Pathways Success Scholars

- ❑ Pathways Success Scholars program targets minority male high school students taking classes at Wake Tech through the Career & College Promise dual-enrollment program. Participants can expect to engage in on-campus personal and group success coaching, leadership development and other programming that promotes academic development and personal success.

Campus Resources, Services & Other Information

Disability Support Services

- ❑ Disability Support Services (DSS) serves students who may, due to documented physical, psychological or learning disabilities, require academic or non-academic accommodations for equal access to college facilities, academic programs and other activities (defined by the Americans with Disabilities Act and Section 504 of the Rehabilitation Act).

Fostering Bright Futures

- ❑ The Fostering Bright Futures program is a student success program that addresses the overwhelming need for a comprehensive support structure to assist our community's foster youth in making the transition from foster care to independent young adulthood.

Campus Resources, Services & Other Information

Academic Success Centers

- ❑ Wake Tech's Academic Success Centers offer comfortable and inviting spaces where students can study, build skills and develop ideas, collaborate with other students and engage with faculty. Each of the centers has a specific focus – STEM, reading, writing, math, communications, social sciences, foreign language and the humanities – and provides valuable resources and support aimed at helping students complete their programs of study successfully.

Individualized Learning Center

- ❑ Wake Tech's Individualized Learning Center (ILC) offers a range of free tutoring services for students.

Campus Resources, Services & Other Information

FERPA (Family Educational Rights and Privacy Act)

When a student, regardless of age, enters (is in attendance the first day of classes) an institution of higher education such as Wake Tech, all rights to inspect and review the education record transfer from the parent to the student under FERPA. Educational records are confidential and will only be shared with other Wake Tech administrators or lending agencies that have a legitimate need to know this information.

Campus Resources, Services & Other Information

Title IX (Sex Discrimination) Policy

Wake Technical Community College adheres to all federal, state and local civil rights laws prohibiting discrimination in employment and education. The college does not discriminate in its admissions practices (except as permitted by law), in its employment practices or in its educational programs or activities on the basis of sex.

As a recipient of federal financial assistance for education activities, the college is required by Title IX of the Education Amendments of 1972 to ensure that all its education programs and activities do not discriminate on the basis of sex. Sex includes gender, sex stereotypes, gender identity, gender expression, sexual orientation and pregnancy or parenting status.

The college also prohibits retaliation against any person opposing discrimination or participating in any discrimination investigation or complaint process internal or external to the institution. Sexual harassment, sexual assault, dating and domestic violence and stalking are forms of sex discrimination, which are prohibited under Title IX and by college policy.

Campus Resources, Services & Other Information

Academic Integrity Policy and Code of Conduct

Cheating and plagiarism, as defined below, are forms of academic dishonesty that violate the academic integrity policy. Students found responsible for violating academic integrity policies are subject to penalties from instructors and sanctions from Student Conduct Officers.

—

The purpose of the Student Code of Conduct (Student Code) is not to restrict freedom but to protect the rights of all students in their academic pursuits.

Students are expected to conduct themselves in accordance with generally accepted standards, while appropriately incorporating the college's core values of accountability, respect, responsibility, critical thinking, communication and collaboration.
